EAVDI-BID Autumn Meeting

November 12thth 2022

The screenshot shows the Warwick Conferences website. At the top left is the Warwick Conferences logo and contact information: 'hello-conferences@warwick.ac.uk' and 'More ways to contact >>'. A search bar is located at the top right. A navigation menu includes 'Conferences, meetings & events', 'Bed & breakfast', 'Guest info', 'Location', 'Virtual tour & photo gallery', and 'Contact us'. The main content area is titled 'Central location' and features a map of the UK with a red heart marking the location of Warwick Conferences near Coventry. To the right of the map is a 'Travel at a glance' section with icons for car, bus, train, and plane, each followed by text describing the accessibility of the venue. A button at the bottom of this section says 'Further directions for road, rail and air >>'. The text under 'Central location' states: 'Based in the heart of the UK and easily accessible from across the UK, and the world. We are located at the University of Warwick which lies on the outskirts of Coventry, 3 miles from the city centre. Bustling cities, beautiful countryside and battle-worn castles are all within easy reach.'

Venue
Warwick conferences
The University of Warwick,
Coventry
