Here's a glimpse of what's in store

› Cutting-edge CPD

With over 150 hours of high quality CPD to choose from you will leave with the skills and knowledge you can immediately apply in practice. Expect deeper integration across sessions, offering a comprehensive perspective on key topics and embracing a true "one team" ethos.

› Tackling the big issues

Gain first-hand insights into the biggest challenges facing the veterinary sector, including one health, contextualised care, CMA updates, reproduction control, and much more.

› Find your tribe

Connect with like-minded professionals at our dedicated Community Hub. Whether it's finding, reconnecting with colleagues, building a local network, or discussing key topics, you'll leave with lasting connections to champion you throughout your career.

› Wellbeing and live demonstrations

Step away from the bustle to recharge and refocus. Enjoy activities designed to boost your wellbeing, develop practical skills, and leave you feeling revitalised long after Congress and Expo has ended.
